Property Description

This semi-detached villa sounds really spectacular! The recent integral reform and the careful decoration make this house a real treasure. The setting surrounded by pine trees and nature, along with that breathtaking sea view, will surely leave you speechless. It is fantastic that natural light enters every corner of the house, creating a bright and cozy atmosphere. In addition, the layout of the house is very convenient. In the basement, there is a bedroom with en suite bathroom, which provides privacy and comfort. It also has a guest apartment with separate entrance, consisting of two bedrooms and a bathroom. On the first floor are the living room, dining room and kitchen. I am sure that these spaces are perfect to enjoy unforgettable moments in the company of family and friends. As for the second floor, you will find the two remaining rooms. Do not hesitate to contact us for more information.
